

# Inspirational Women from Discovery!

"I'm Maria, I'm studying Marine Biology and my dream job is working with refugees to improve their living conditions"

"I'm Megan and my dream job is in the charity sector, helping children to feel safe and happy as they grow up!"

"I'm Kathryn and my dream job is to be a Psychiatrist (Doctor) for children, helping children to achieve their best by managing any challenges they may face!"

"My name is Emma and I am studying French, Spanish and Italian. I want to be a teacher because I want to help support young people through their education as well as their lives outside and to help to make their lives better and be a role model for those who don't have anyone else."

"I'm Ceyda, I'm studying Clinical Psychology and Mental Health. My dream job is to be a Child Psychologist, to be able to help and support children!"

What do you aspire to be?
