

National Women's History Day

8 March 2021

Can you match the important women in history to their achievements?

Coco Chanel

Mathematician, considered the first computer programmer.

Valentina Tereshkova

Founded the Women's Social and Political Union to campaign for the parliamentary vote for women

Emmeline Pankhurst

Artist who took up painting after an accident.

Ada Lovelace

Fashion designer who challenged gender norms by introducing trousers, suits and flat heels to women's fashion.

Freida Kahlo

Textile worker turned cosmonaut and first female in space.
At 26, she had logged more space time than every American astronaut before her.
