

# Inspire Games

We have a list of challenges and games that can be done both in person and online. All you need to do is choose one person to judge and they can award points to whoever wins each round/challenge.

## Challenge 1

Ask those playing to bring something along, with the judge choosing which is best/cutest/weirdest etc. Here are some ideas for you.

- Bring the best red thing
- Bring the cutest item
- Bring the best item that is bigger than a mouse but smaller than a toaster
- Bring the weirdest blue thing

## Challenge 2

Show a completely peeled piece of fruit that is not a banana.  
Fastest wins.

## Challenge 3

Draw a monster.

The monster with the third most eyes wins.

There is also a bonus point available for the best monster drawn.

You have 3 minutes.

## Challenge 4

Line up 9 objects.

The objects must each begin with different letters and those letters must spell out the word 'DISCOVERY'.

Fastest wins.

## Challenge 5

Draw an elephant.

Your hands must remain open and in the frame/in the air at all times while drawing.

You have 1 minute to get ready and then 2 minutes to draw.

Best drawing of an elephant wins.

## Tie breaker

How many tangerines can the judge hold in one hand before any fall off.

Closest wins.

(You can also use ping pong balls, tomatoes (you could make it trickier and not show the size of the tomatoes or have a variety of big and small) or eggs (be careful though as this can be messy))
